Get paid \$10k just to FIND houses!

Body:

What's the biggest challenge people have flipping houses?

Actually FLIPPING the house!

Well, you can stop worrying because...

My good friend, Jerry, will do all the work for you.

All you have to do is FIND the deal and Jerry will pay you a \$10,000 finder's fee up front.

Here's how it works...

You find a good "fix and flip" deal and pass it off to Jerry.

If it meets his simple criteria, he will pay you a \$10,000 finder's fee UP FRONT.

Jerry does everything else:

- He funds the deal
- He does the rehab
- He finds a buyer

You do NOT need to see these properties in person, so you can do this virtually from the comfort of your home.

You can do deals in any market in the country no matter where you live.

On top of that, Jerry will give you "push-button" software that finds potential deals for you.

All you have to do is enter some simple search criteria, and you'll have more deals than you know what to do with!

This finds off-market deals for you

Body:

Off-market deals are great because:

- They are not on the MLS
- The sellers are very motivated
- There is less competition

The thing is...

Finding off-market deals is usually difficult, time-consuming, or requires expensive direct mail campaigns.

Until now.

My friend Jerry has developed a software that finds off-market deals on Craigslist for you at the push of a button.

Plus... he's identified the top 5 FREE ways to find off-market deals *without* spending a dime on marketing (or sending a single piece of direct mail)!

And on this week's webinar, he'll reveal his software and these deal-finding "hacks" and show you how to get paid \$10,000 for each deal you find.

This is all part of Jerry's finder's fee program, where you can make \$10,000 for finding deals that meet his criteria.

There's just one catch...

He can only accept a *limited* number of new finders into his program, so register for the webinar now to claim your spot.

Yesterday I told you about how you can...

**Make \$10,000 In As Little As 30 Days
Just Finding “Ugly” Houses**

Jerry has systems in place to fix-up and sell properties all over the country quickly and efficiently.

His biggest challenge is finding enough deals.

Since Jerry’s profits on these deals are substantial, he will gladly pay you \$10,000 just for finding “ugly” houses that he can fix up and sell.
